

Why Family Group Vacations?

✓ By booking vacations as a group, we have more negotiation power, which enables us to get better rates than if we were to book one vacation per family. Also, the more families we have to share the fixed rates associated with tours and activities, the cheaper it is for each individual.

✓ It really is more fun together! Traveling with friends and family is great but making new friends while traveling can be legendary. Your children will have other kids to hang out with, while you get some much-needed adult time. As an added bonus, there will always be someone around to snap a quick family picture during your vacation.

✓ A lot of group tours don't allow children. Why? Because it disrupts the other travellers. On this vacation, you don't need to worry about it – we all have kids and understand that they will find the most opportune time to act out. Plus, you've got some pretty awesome people to help out if needed.

Everyone is welcome! We're not prejudice against those without children. If your sister or parents, friend, or brother's best friend's aunt wants to come, they can! We're happy to hang out with anyone while on vacation.

We're currently planning/booking for the following Family Group Vacations:

AFFORDABLE VACATIONS DESIGNED FOR YOU AND YOUR FAMILY...

Air, Hotel, and Transportation –

To alleviate the stress of meeting the group in another country, your group vacation starts at the Winnipeg airport and includes your flight, which will be the same as your Travel Professional, Nanny, and the other travellers. Once at the Winnipeg airport, your transportation will no longer be a concern. As a group, you will chauffeured to the hotel and each activity and tour included.

Hotels are hand-selected by your Travel Professional based on their family amenities, location, and cost. We do our very best to find hotels that will meet each family's unique needs. Due to limited availability, not all hotels can accommodate a family of four or five; two rooms will need to be purchased instead.

Tours – Group vacations include sightseeing and main attraction tours that are family-friendly. Some tours will be designed specifically for children, such as scavenger hunts in museums. Other tours may be for adults only while the Nanny entertains the kids elsewhere.

All-inclusive packages do not include group tours, unless otherwise stated.

Tour and excursion services are generally provided by destination locals or experts.

Meals –

Each group vacation will include at least four dinners or lunches per week. Where possible, hotels will be selected that offer complimentary breakfast. A "Welcome Dinner" will be included on the first night of the vacation, as well as adult-only dinners. The Nanny will host children's dinner party, so the adults can enjoy a peaceful meal.

If you're lucky enough to join one of our all-inclusive packages, all meals and beverages are included.

Professional Nanny –

The Nanny job is to eliminate the stress of always having to entertain and take care of the kids. The nanny will schedule activities throughout the vacation to give you a break. After all, you deserve a vacation, too. Activities may include going for ice cream, stroll through the park, or an indoor activity within the hotel.

In addition to the schedule activities, your group vacation may includes a slumber party for the kids, so you can have a night out on the town.

Each group vacation has its own schedule and total hours of nanny services per child. If you would like

Travel Professional -

Your Travel Professional knows your group vacation like the back of their hand, because they designed it. So, it's great news that they will be traveling with you. They will also be available to answer any questions and to ensure your vacation is stress-free.

Meet-and-Greet –

Get to know the vacation group and Nanny before traveling. Each vacation will include a meet-and-greet, scheduled approximately one month prior to departure. Your Travel Professional will also create a Facebook page so you can connect with the other travellers and make plans, if necessary.

Travel Swag –

No group is complete without their swag. Eleventy 3 Vacations will have gifts for each traveller.

What you need to know about our nannies.

We aren't kidding around. Our Nannies are childcare professionals and have undergone a vigorous selection process, from criminal record checks and in depth reference checks to childcare and behavioural observation.

Redefining All-Inclusive

We are taking all-inclusive travel packages to the next level. First, you had your air, hotel, food, and beverages included. Now you have a personal Travel Professional and Nanny. Finally, a vacation you can sit back and relax. It'll be a nice change from catering to the kids!
